**CHOCOLATE BARS THAT MAKE A DIFFERENCE.**

**L**oony Bars are gluten free, dairy free, and sugar free health food chocolate bars. We create products that

contain nutrient dense superfoods like collagen, goji berries, sacha inchi seeds, and collagen that boost not only your health, but your overall well being. We are a sole proprietorship whose goal is to provide ethically sourced delicious healthy chocolate bars to consumers who have dietary restrictions or want to eat and live a healthy lifestyle. The candy and treats the average American eats today are full of processed sugars and ingredients that have led to many of the illnesses in our world today. Our mission is to create a solution to that problem and provide delicious treats to quench your cravings without all the harmful ingredients.
